

## Outdoor Yard Clean-up Volunteer

### Overview:

Volunteer/s provides clean up yard work in the spring and or fall for older homeowners who are no longer able to do the work themselves. Volunteer/s is/are assigned to as many yards they are interested in serving. Follow the lead of the Yard Team leader.

### Service Impact:

Helping older homeowners with their yard work allows them to maintain a feeling of pride as homeowners and to fulfill their wishes to remain in their own home.

### Key Responsibilities:

- Provide services requested and within the boundaries of volunteer guidelines.
- Provide tools as needed.
- Notify homeowner when able to provide service.
- Greet the homeowner at the door each time a service is provided.
- Fill out evaluation form provided and report service date and length of service provided.

### Time Commitment:

Seasonal - Spring Clean-Up (Mid-April thru Mid-May), Fall (Mid October thru Mid-November)

Approximately 1-2 hours per yard (dependent on size of yard and amount of team members).

### Qualifications:

- Committed to volunteerism and supporting older adults
- A desire to work outdoors
- Over the age of 16 if operating equipment
- Reliable transportation

**Supported By:** Volunteer Manager and Yard Clean-Up Team Leader

### Benefits:

- Groups will be engaged in team building.
- Families will have spent valuable time together.
- Connection with an older adult.
- Discover self fulfillment and strengthen our community by supporting others.
