

DARTS Learning Buddies Volunteer Position Description

Overview

Learning Buddies volunteers support elementary and middle school students reading, math, science and art skills while becoming an intergenerational friend.

Service Impact

You can make a difference in a child's life and become an intergenerational friend. By volunteering, you help to nurture children, connect generations and enrich your community. You will impact students' lives while enriching your own.

Key Responsibilities and Qualifications

- Ability to relate well and communicate with children
- Agree to treat all children equally and without favoritism
- Work with students once a week throughout the school year
- Attend an orientation and training session, transportation available upon request
- Take direction from the teacher to provide reading, math, science or art support
- Keep information learned while volunteering confidential
- Volunteer meets teacher's classroom needs
- Willingness to follow guidelines as determined by DARTS and the participating schools

Time Commitment

1-2 hours per week from October - May

Supported By

- Linda (Lindy) Engelken - Volunteer Manager
- volunteer@darts1.org
- www.dartsconnects.org

Benefits

- Make a difference in a child's life while strengthening your community
- Stay engaged and active in your community
- Bring fun and fulfillment to your own life
- Advance your career by providing experience and valuable job skills
- Increases self-confidence and is beneficial to your health
