

2026 Fall Cleanup Volunteering Statement of Agreement & Waiver

All statements made on this application are true and complete to the best of my knowledge and belief. You have my permission to verify this information.

I understand it is DARTS policy to secure criminal history information as part of their volunteer screening process for volunteers providing direct service to seniors and volunteers working with youth. I authorize the Bureau of Criminal apprehension to disclose all criminal background information to DARTS for the purpose of volunteering with this agency. Documents regarding criminal background and the contents will be disclosed only to the DARTS Volunteer Resources Staff and legal counsel, unless disclosure to other individuals or entities is authorized by the volunteer. For yard cleanups, the team lead will be subject to a background check as the one in contact with a client.

I will not hold DARTS and its staff liable while performing volunteer services. I agree to follow the DARTS volunteer policies presented in the volunteer handbook.

I grant permission for DARTS to take photographs and/or video of me during volunteer activities and for their use in DARTS promotions and presentations.

All yard cleanup volunteers are expected to have their own health insurance. I understand that DARTS does not carry insurance to cover injuries and losses that may befall me while I act as a volunteer.

Please note that some outdoor chores clients are paying a nominal fee to support the running of this program.
